Mrs. Dougherty:

Hello, and welcome to 2nd grade! I'm Mrs. Dougherty and I'm so excited to jump into my third year teaching at CMIT! I was born in Washington, D.C., but grew up and currently live just outside of Baltimore. My wonderful family consists of my daughter, Addalyn (8 years old), and my husband, Drue. During college, I worked as a Veterinary Technician and have a passion for helping animals. I look forward to a wonderful year where our students will be discovering talents and a new confidence that comes from learning, making new friends, and developing the great potential that lies within!
