

Mrs. Whitney Green

Mrs. Green begins her 3rd year as the Professional School Counselor at CMIT Elementary School. Before joining CMIT, Mrs. Green was the founding counselor in another public charter school in PGPCS, making this her 7th year serving the county in this capacity. She earned her undergraduate degree in Sociology from Washington College, in Chestertown Maryland, and her Masters in Education K-12 School Counseling from Loyola University, in Baltimore Maryland.

Mrs. Green is originally from New Jersey, where she still associates her roots and ventures back there when she is able. She loves the shore, her poodle, quality time, coffee, imaginations, shoes, partnerships and empathy. She dislikes the word “can’t”, assumptions, and lack of accountability. When asked if she always knew she wanted to be a counselor, Mrs. Green assures inquirers that she did not purposefully pick this job, but rather this life was meant for her! She is currently a student herself again, as she loves to deepen her knowledge base and continue grow in her profession. She is thrilled to be back and with her CMIT Tigers!

Graciously,
